SUBJECT: Annual National Environmental Policy Act (NEPA) Planning  
Summary - 2006

In accordance with Department of Energy Order 451-1B, *National Environmental Policy Act Compliance Program*, the Office of Intelligence (IN) has reviewed its NEPA Program. There are no ongoing NEPA compliance activities. We anticipate no new environmental assessments within the next 12 months or any environmental impact statements within the next 24 months.

In FY 2005, IN continued to work with the DOE and NNSA field organizations and other program offices to ensure that applicable NEPA initiatives consider IN activities. Any unforeseen requirements will be coordinated with the appropriate field organization, as soon as recognized.

If there are any questions regarding the IN NEPA Planning Summary, please direct them to Michael C. Mazaleski, IN NEPA Compliance Officer, at 202-586-8718.
